THE 100 CLUB

The 100 club is the easy way for you and your family to help us on a regular basis for just £5 per month (that's less than £1.50 per week). And to reward you for your generosity and support, you'll have a chance to win £100 every month!

How the 100 Club works

You sign up to buy a £5 prize draw ticket every month: that works out at £60 per year. It is hoped that 100 monthly tickets will be purchased. The draws take place every month. If you win you'll receive a cheque for £100; there's also a second place prize of £50. Over the year our winners will receive a share of £1800 and you could be one of them! All the remaining proceeds will go towards the Church Restoration Fund.

What are the rules?

1. You must be over 16.
2. You can join at any time and will be eligible for the monthly draw in which your payments begin. If you wish to withdraw from the 100 Club or buy additional tickets you simply have to inform the Parish Office.
3. You can hold as many tickets as you wish to pay for.
4. You must have an appropriate UK bank or building society account for a standing order.

How to sign up

Simply decide how many tickets you would like to buy each month at £5 a ticket. Fill in the details below and **return it to the Parish Office**. Of course, the more tickets you buy, the greater your chance of winning – and the sooner our debt is paid.

Good luck and many thanks for your help,

Prayers and best wishes,

Fr. Jeremy
